

# **\*PACK LIST: PERU 2008\***

## **GLOBAL WORKS CUSTOM GROUP TRAVEL**

Please refer to this handy packing list for your Global Works journey. Follow this list as closely as possible, as it will ensure your comfort on the trip and allow us to travel efficiently as a group.

**\*Please note: This Packing List is based on a 10-DAY PROGRAM. If your trip is shorter or longer than ten days, please adjust accordingly!**

### **A FEW PACKING TIPS TO GET YOU STARTED:**

» **Travel lightly!:** Each participant must be able to carry his or her own luggage. We recommend you aim for 35-40 lbs. maximum.

» **Remember the goals of your trip:** Keep in mind that you will be participating in service activities, and that there is a high likelihood that you will get dirty (yay!). Please consider this when packing and bring at least one set of clothes that you do not mind leaving behind. Remember, this is not a trip of high fashion and multiple changes of clothes. We encourage you to try to live simply while on your trip!

» **Consider the weather and environment of Peru:** We will be covering a variety of elevations and climates, so we will ask that you bring a wide variety of clothes. If your group travels to warmer climates, we will be able to store "high altitude" clothing, and vice versa.

### **SPECIAL NOTES IN REGARD TO PACKING:**

**I. SPENDING MONEY:** Most students spend between \$100 - \$200 during the trip, but certainly you can do with less. Global Works pays for meals, admissions, lodging, laundry, etc. We recommend that you bring more than one form of money to Costa Rica. Debit cards with the VISA logo and student's name (please have a PIN number to use in ATM's!) is one form of obtaining spending money in Peru (there will be an ATM fee). Other forms are traveler's checks and cash. Please bring cash in small bills (ones, fives, tens).

**II. LAUNDRY:** You can plan on having laundry done one time during the homestay, and one time as a group when we are not in the homestay community.

**III. COMMUNICATION/PHONE CARDS:** There will be opportunities to call home and a few opportunities to e-mail. Please DO NOT bring calling cards from the U.S. and expect to be able to use them in Peru. The cheapest and most effective way to call home from Peru is to use the local telephone kiosks, and to pay at the end of the call. Leaders will help facilitate this! *Cell phones are not advised except for travel days in the U.S.* Cell phones should not be used while in Peru. Also, your leaders will not be responsible for the care or loss of your cell phone. Many students will bring a U.S. calling card just for airport days

**IV. HOMESTAY GIFTS (if your group is doing a homestay):** Because you will not know the members of your family until a few days into the trip, a good idea is to bring one gift for your hostmom, one for your hostdad, and a collective gift for the children. Moms love to receive inexpensive kitchen or bath items, music, or picture books. Popular gifts with dads are team T-shirts, hats, music, personalized pens/pins/etc., novelty items (be creative!). We recommend an interactive gift for children, an activity that you can do with them like puzzles, card games (UNO, Crazy Eights, etc.), arts and crafts, Frisbees, hackysacks, soccer or footballs, magazines or books. Past participants also suggest bringing gifts that are unique to your hometown.

**Please feel free to contact us at any time if you have questions about packing!**
