Global Works Enrollment Agreement 2010

PARENT/GUARDIAN & PARTICIPANT AGREEMENT

Itinerary: I understand that it is Global Works' intention to offer a similar itinerary as that described in the brochure. I also understand that locations, projects, and activities may be subject to change, and that itineraries may change. In all cases, Global Works will make a commercially reasonable effort to substitute an activity or location with something comparable.

Tuition Refunds and Trip Cancellation: The tuition includes: lodging, food, all transportation (not including airfare), all excursions, any activities and entrance fees specified on scheduled itinerary, full-time services of a professional Global Works leaders, and all non-optional gratuities. The tuition does not include: passport and visa fees (non U.S. citizens must secure any necessary visas), airfare, baggage fees, airport departure taxes, excursions and activities not included on the itinerary, meals in airports or on travel days beginning or ending a trip, and Global Works Program Interruption and Cancellation Plan, and AIG Emergency Medical Travel Insurance.

Global Works' refund policy is based on the fact that most program costs are determined on a per-group, instead of a per-person, basis. In addition, last minute cancellations often prevent other participants on the waiting list from participating. I understand that Global Works is not required to provide, and I am not entitled to, a tuition refund for late arrival, dismissal with cause, cancellation or early withdrawal for personal reasons, or a medical emergency or injury. Any refunds will be made at the sole discretion of Global Works. Global Works strongly recommends purchase of Program Cancellation and Interruption Plan, a tuition protection plan for medical conditions or family emergencies only. Additional trip cancellation insurance may be purchased through an outside trip cancellation insurance carrier.

I understand that Global Works reserves the right to cancel a program that does not enroll to a minimum level and/or in cases where travel to a destination has been deemed unsafe. In such an occurrence, Global Works will make a commercially reasonable effort to offer a similar alternative program when available. If such comparable program is offered and refused by the enrolled, paid tuition (not including the deposit) will be refunded. Global Works is not responsible for other costs and incidental expenses incurred by a participant preparing for a trip that has been cancelled.

Passports and Visas: I understand that it is each participant's responsibility to obtain a valid passport and visa (if appropriate). We suggest that this process be completed well in advance of departure. Passports and visas (if appropriate) must be valid up to three months following the trip's departure date. Non-U.S. citizens must contact the appropriate embassies and consulates to inquire about any visa requirements for all countries to be visited.

Rules and Regulations: I understand that for the health, safety, and welfare of its staff and participants, Global Works requires that the rules and regulations it establishes be observed. Global Works reserves the right to dismiss any participant from the program that the staff believes, in their discretion, is injurious to him/herself or others, presents a safety concern or medical risk, is disruptive, or otherwise conducts him/herself in a manner detrimental to the program. I understand that I am responsible for any and all costs of early departure whether for medical reasons, early dismissal, or otherwise. The following cases may be cause for early dismissal from the program:

- Unsafe behavior, which includes, but is not limited to: failure to wear seat belts, life jackets, and other safety equipment, self mutilation, and/or body piercing.
- Behavior that is destructive, abusive, violent, injurious to others or involves harassment, theft, vandalism, or chronic defiance of rules and regulations.
- Exclusive relationships, sexual activity, unauthorized absence from the group, or failure to abide by curfews and/or other set expectations for behavior.
- Possession or use of any weapons, non-prescribed drugs, tobacco products, narcotics, or alcoholic beverages.

Personal Property Loss: I agree that Global Works will not be held responsible for the loss, theft, or damage of personal property or equipment. Petty theft is worldwide! Global Works strongly advises participants not to bring expensive cameras, electronic equipment, jewelry, sunglasses, etc. Personal insurance should be purchased to protect any valuable personal property.

Health forms: Global Works' Medical Information Form must be completely filled out and signed by a parent or guardian. The Physician Report and Examination must be completely filled out and signed by a physician who has examined the participant within one year prior to the start of the program. **Acceptance into a Global Works program is contingent upon Global Works' approval of the foregoing health forms. Failure to answer all questions accurately or the misrepresentation of the participant's current or past physical and/or emotional condition may necessitate the dismissal of the participant, even after the program has commenced, at the parent/guardians' expense.** Misrepresentation, failure to fully disclose information or failure to update Global Works with new behavioral developments or other pertinent health form information prior to the program may result in dismissal or rescinding of acceptance (even before a program begins) without refund.

Medical Treatment: All participants must be covered by their own medical insurance. In case of illness or injury, I grant permission to Global Works and/or its assigns, to hospitalize, treat and order injections, anesthesia or surgery for me or my participant son or daughter as may be appropriate. I further authorize Global Works to administer non-prescription medicine in the event of minor injuries and/or ailments to me or my participant son or daughter as may

be appropriate. I understand and agree to pay all costs associated with medical care and transportation, including the cost of any evacuation, treatment, or medications.

Photo/ Statement Release: Permission is granted to Global Works to use pictures of the participant and his/her creative writing in promotional and/or educational publications and slide shows.

Assumption of Risk, Release, and Indemnification Agreement: I understand and acknowledge that the Global Works program to which I and/or my participant son or daughter is applying, as may be appropriate, involves inherent risks that are beyond the control of Global Works. These risks include, but are not limited to: strikes, civil unrest, war, terrorist activity, weather, medical outbreaks, other possibly dangerous conditions beyond the control of Global Works, illness associated with an unfamiliar diet, risks of personal injury in motorized vehicles, participation in unauthorized and unsupervised activities while on the program, and the risk of personal injury involved in adventure activities or otherwise. I (participant) on behalf of myself, and I (parent/guardian) on behalf of myself and my participant son or daughter, accept and fully assume these risks of travel. I (participant) on behalf of myself, and I (parent/guardian) on behalf of myself and my participant son or daughter, agree to release, waive, covenant not to sue, indemnify and hold harmless Global Works and its agents from and against any and all claims, liabilities, demands, damages, costs, attorneys' fees, losses, expenses, rights and causes of action of any kind or nature arising out of any loss or damage to property or personal injury, including death or illness, incurred by me or my participant child while participating on a Global Works program. I further understand that Global Works subcontracts various transportation companies, travel agencies, and adventure outfitters, and with this understanding, I (participant) on behalf of myself, and I (parent/guardian) on behalf of myself and my participant son or daughter, agree to release, waive, covenant not to sue, indemnify and hold harmless Global Works and its agents from and against any and all claims, liabilities, demands, damages, losses, expenses, rights and causes of action of any kind or nature arising out of or caused by any act, error, omission, or default by any such subcontractor.

Should it become necessary for Global Works to advance monies on behalf of a participant for any reason, I (participant) on behalf of myself, and I (parent/guardian) on behalf of myself and my participant son or daughter, agree to reimburse and indemnify Global Works for all such expenses. Any individual upon bringing legal action against Global Works will be responsible for all legal fees and costs, including reasonable attorneys' fees, incurred by Global Works in the defense of such action. If one parent or guardian of a participant does not sign this Enrollment Agreement, the signing parent or guardian indemnifies Global Works and its agents from all claims by the non-signing parent or guardian. If any provisions of this Enrollment Agreement are held to be invalid, void or unenforceable, all other provisions of the Enrollment Agreement will nevertheless remain in full force and effect.

Any and all actions arising out of or to enforce this Enrollment Agreement shall be heard in the exclusive jurisdiction of the courts located in Boulder County, Colorado, United States.

The construction, interpretation, performance and enforcement of this Enrollment Agreement shall be governed by the substantive law of the State of Colorado, U.S.A., notwithstanding its choice of law rules. This Enrollment Agreement constitutes the entire agreement between the parties regarding the subject matter contained herein. This Enrollment Agreement supersedes all prior agreements, proposals, understandings, statements and/or representations, whether written or oral, concerning the subject matter contained herein. This Enrollment Agreement may not be altered, amended or extinguished except by a writing that expressly refers to this Enrollment Agreement and that is signed by all parties subsequent to the execution of this Enrollment Agreement.

I believe that I or my participant son or daughter is capable of handling the physical and emotional experiences entailed in a Global Works program. I (participant) on behalf of myself, and I (parent/guardian) on behalf of myself and my participant son or daughter, have read, feel adequately informed, and agree to all of the terms and conditions as stated in the Enrollment Agreement.
